

### **Terms & Conditions**

These Terms and Conditions are related to 'Lift Off Together', being run by Air Ambulance Northern Ireland, a registered charity in Northern Ireland (NIC103900), hereafter referred to as 'Air Ambulance NI'.

Air Ambulance NI reserves the right to amend these Terms and Conditions, or to suspend, cancel or amend Lift Off Together, at any time by placing a notice on our website. These Terms and Conditions also include the FAQs on the campaign website.

1. Lift Off Together enables Air Ambulance NI supporters who donate a minimum of £200, to have their gift recognised via the inclusion of their name or the name of a loved one on the underside of the new AW109SP (registration number G-HMNI).
2. The donation of £200 via the campaign name submission methods (detailed below) constitutes acceptance of these Terms and Conditions.
3. The campaign will remain open until all name spaces are allocated or until Air Ambulance NI closes the campaign.
4. Air Ambulance NI will close the campaign and display closure via the campaign website as soon as feasibly possible – should any further names be submitted after all the spaces are allocated, Air Ambulance NI will contact the supporter, who will have the option to request a refund or reassign the gift as a general donation.
5. Lift Off Together is a standalone fundraising campaign, beginning on 8<sup>th</sup> June 2026. Any donations received before this date are not eligible towards this campaign. Any donations made after this date, but not made expressly for this campaign, are not eligible towards this campaign.
6. The names will remain on the underside of the G-HMNI helicopter until 31<sup>st</sup> December 2029.
7. Any samples or digital imagery are for the sole purpose of giving an idea of what the design may look like, but do not have any contractual force. Air Ambulance NI reserves the right to amend the design as required.
8. All donations submitted via Lift Off Together will go into Air Ambulance NI's core funds and utilised to fund missions.

9. As part of promotional opportunities, Air Ambulance NI may take photographs and videos of the aircraft to use, which may be used in media releases, publications, social media, our website and third-party media. Whilst we will not focus on any one name, the supporter understands and accepts that the name(s) they submit may be identifiable from the design.
10. All timings included in the campaign FAQs and Terms and Conditions are approximate, and Air Ambulance NI is not liable for any delays.
11. Further details on how Air Ambulance NI may use your information can be found in our Privacy Policy on <https://airambulancenl.org/privacy/>

### **Name Submission**

- To receive the donation recognition constituting a name included within the underside of the G-HMNI helicopter, supporters must be aged 18 or over and make a minimum donation of £200.
- There is limited space available for this campaign and names will be registered on a first come first served basis.
- For each £200 donation, supporters will have their chosen name placed on the underside of the aircraft and will also receive a certificate.
- The certificate will be sent to the billing address provided during the donation process. From 8<sup>th</sup> June 2026 onwards, we will aim to post certificate orders to supporters within four weeks of names being submitted.
- A minimum donation of £200 is required for one name to be considered for inclusion.
- Supporters may submit multiple names, each with a separate donation of £200. The supporter will receive one certificate for each £200 donation. These will be sent to the provided billing address.

### **Names can be submitted in the following ways:**

- (a) Via the 'Lift Off Together' page on the [Air Ambulance NI website](#).
- (b) By cheque, made payable to Air Ambulance Northern Ireland. Please include 'Lift Off Together' and the name you wish to submit clearly written with an accompanying

letter. Send the cheque to: Air Ambulance Northern Ireland, 94 Halftown Road, Lisburn BT27 5RF.

- If a cheque or money is received by Air Ambulance NI and we are unable to distinguish whether the intention of the sender is to participate in Lift Off Together or to make a donation to Air Ambulance NI, the cheque or money will be treated as a donation to Air Ambulance NI and will go into Air Ambulance NI's general funds.
- Please note, submitting a name does not grant any ownership rights to the helicopter, nor any entitlement to visit or access the aircraft. Opportunities to visit the helicopter are not guaranteed, and submitting a name(s) as part of Lift Off Together does not mean you automatically secure tickets to any future events where the helicopter may be displayed/present.
